

Please practise your mental maths challenge outside of school. You can practise at home, on the way to school, at the swimming pool or anywhere else you choose!

An adult in school will regularly check your learning.

Bronze: For being able to count up in steps without error or long pauses (children may self-correct) E.g. 0, 6, 12, 18... When you achieve bronze, you receive a bronze sticker.

Silver: For being able to recite a complete multiplication table without error or long pauses (children may self-correct). When you achieve silver, you receive a silver sticker

Gold: For being able to answer random order multiplication sums without error or long pauses (children may self-correct). E.g. 8×9 ? 6×7 ? When you achieve gold, you will receive a gold sticker.

When you have achieved your bronze, silver and gold for your 6, 7 and 9 times tables, you will receive a special certificate and badge in assembly!
