

# Mytchett Primary and Nursery Academy

## Provision Map 2025-26

Our SEND Policy sets out our vision, values and aims for pupils with additional needs. It clearly states how we identify need and our graduated approach through [curriculum design](#), High Quality Teaching and SEND pathway processes.

The SEND Policy is supported by our SEN Information Report (<https://www.mytchett.kite.academy/our-school/send-information/>) which explains our implementation of the SEND policy.

Through this Provision Map we have outlined examples of support that some of the children in our academy may require during the school year, though this may be adjusted to cater for changing needs.

Our universal provision adopts strategies in line with guidance from [Surrey Ordinarily Available Provision](#)

Some examples of our Universal provision include

Structured school and class routines Use of Think, Pair, Share Step by step instructions. Explicit teaching of vocabulary Modelled teaching using metacognitive talk. Making explicit links with prior learning. Additional processing time Simplified language Cold calling Working walls Error tracking, live feedback and marking	Pre-teaching Same day interventions Visual class timetable/aids in classrooms Visual clarity of slides Visual cues and prompts Use concrete and pictorial strategies Structured school and class routines Adapted resources – large font etc Appropriate seating for all Suitable equipment such as pencil grips, scissors etc
--	---

The Provision Map is split into the four categories of need as outlined in the Code of Practice 2014 (Communication & Interaction, Cognition & Learning, Social, Emotional & Mental Health, Sensory & Physical).

	<b>Targeted support</b>  <b>Catch up/additional provision for some children</b>	<b>Specialist support</b>  <b>High level of personalised provision for few children</b>
	<i>In addition to all support offered within Universal provision</i>	<i>In addition to all support offered within Universal provision &amp; Targeted support.</i>
