

Year 2 Newsletter

Autumn 1—2025/2026

Notices and Reminders

Welcome back to school! We hope that you had a wonderful summer holiday and are looking forward to a successful year.

Our PE day for this term is Wednesday. Please make sure that your child wears their PE kit to school on this day instead of their uniform.

On non-PE days, we ask that your child comes to school in correct school uniform. Full details about our uniform expectations can be found at:

<https://www.mytchett.kite.academy/parents/school-uniform/>

Reading

In reading this half term, the children will begin reading 'Aesop's Fables'. In their reading lessons, they will look at some new vocabulary words they encounter in more detail, answer comprehension questions and discuss the morals of the stories. The children will look at the features of fables and the literary techniques used in the writing.

Writing

In writing this half term, the children will immerse themselves in a journey tale through orally retelling the story. They will then use their deep knowledge of the story structure to create their own version. Throughout the cycle, the children will be exposed to a range of skills that will help them develop their writing.

Key Dates

Thursday 11th September– Y2 meet & greet meeting (2:45pm)

Wednesday 24th September – FFMPs AGM (7pm)

Tuesday 30th September to Friday 3rd October – Y6 Calshot residential

Wednesday 8th October – YR reading workshop (2:30pm)

Thursday 16th October – FFMPs spooky disco

Friday 17th October – SEND coffee afternoon (2:30pm)

Friday 24th October – Autumn family forum meeting (2:30pm)

Friday 24th October – last day of autumn 1 half term (3:15pm collection)

Maths

In maths this half term, the children will learn to recognise the place value of each digit in two-digit numbers. They will count in steps of 2, 3, 5 and 10 forward and backward and will start to identify and estimate where numbers are placed on a number line. They will also read and write numbers to 100 in numerals and words and compare them using the <, > and = symbols. They will then start on the addition and subtraction unit.

Science

In science this half term, our topic is animals, including humans. The children will focus on the life cycles of animals and humans. They will find out about the basic needs of animals and humans, and will describe the importance for humans to exercise, eat the right amounts of different types of food and have personal hygiene.

History

In history this half term, the children will learn to think like historians, discovering what life was like in the Victorian Era. They will be learning about Queen Victoria, the Industrial Revolution, inventors and their inventions, and what life was like for children during this time in history.

Art

In art this half term, the children will be learning how to draw in the style of Pablo Picasso. The children will learn to draw using lots of different skills including shading and hatching. The children will learn about the artwork of Pablo Picasso and Cubism before creating their own portraits inspired by what they have learned.

PE

In PE this half term, the focus is on invasion games, working specifically on developing football skills. The children will explore dribbling, turning in different directions as well as learning how to lose an opponent and create space to score a goal!

RE

This half term in RE, the children will be looking at why Christians celebrate Christmas. They will be looking at the similarities and differences of Matthew and Luke's account of The Nativity and what the key differences are. They will then look at who Mary and Joseph were, who visited the manger and why Mary and Joseph took Jesus to Egypt.

PSHE

This half term in PSHE, the children will focus on recognising they all have similarities and differences. They will explore their interests, inside and outside of school, touch on mental health and then explore physical differences - for example- height and hair colour; before finishing the term on their different personality traits.
